

## Why Consultants Prefer Working with MATRIX

Time-tested processes and extreme TLC provide frictionless outcomes for everyone.

We take care of your needs end-to-end. MATRIX offers a dedicated team of specialists to coach you throughout your job search, interviewing, onboarding, assignments, and redeployment to land your next position.

### Consultant Care is our Top Priority

Why choose MATRIX to represent you in your job search and as your employer? Because you, as our consultant, are a top priority at MATRIX. And we have one of the industry's most robust consultant care programs.

MATRIX takes care of our consultants and their families by investing in industry-leading benefits with real-world medical coverage. Plus, we are one of the only staffing agencies to subsidize medical coverage for our consultants.

In today's market, you have a lot of choices of who to work with, and we are proud to be recognized among the best. MATRIX has won ClearlyRated's Best of Staffing Talent & Client Awards consecutively for 5 years, earning us diamond status in 2020.

### Dedicated Onboarding Coach

You will be assigned a dedicated Onboarding Coach to help you navigate your new assignment and expose you to all the benefits, culture, processes, perks, and training offered by your new company, or MATRIX. No paperwork required - all forms are submitted online through our Workday platform. Your coach will help you complete all employment requirements so you can start your assignment on time.

“MATRIX is the first firm that truly made me feel like they were trying to help me find the right job and culture fit. My recruiter helped me walk through everything from interview prep to moving to a new state and made a stressful job search much more manageable.”
