Optional Group Term Life

As a full-time employee, you may purchase additional term life insurance for yourself, your spouse and/or your children. These rates from Prudential are very affordable. Participation is entirely voluntary, convenient, and portable to you.

As an employee, you may select additional amounts of \$25,000, \$50,000, \$75,000, \$100,000, \$125,000, \$150,000, \$175,000 or \$200,000. In addition, your spouse is eligible for up to 50% of the amount you elect (spouse elections up to \$50,000 are guaranteed-issue. Amounts over \$50,000 are subject to medical underwriting, and an Evidence of Insurability Form must be submitted). Your child(ren) are eligible for 10% of what you elect, up to \$10,000 of coverage (age 14 days to six months is limited to \$500). These amounts can be guaranteed issued, meaning there is no medical questionnaire, with certain participation requirements.
